Use your vote on 7th May to get a Fresh Start for Haringey

Dear[redacted]

Haringey has been let down by our Labour Council for too long. **The most complained about council in England** for two years in a row, described by the Housing Ombudsman as having a **"culture of apathy"**, and now confirmed to have the **4th biggest budget deficit in England** - borrowing £84 million just to balance the books. After 55 years of running the Council, Haringey Labour are out of money and out of ideas.

Stroud Green deserves better. Haringey deserves better. That's why we're standing to be your local councillors: to make sure our community gets a council that puts you at the heart of decision-making. A council that prioritises residents over their own vanity projects. A council that listens, and a council that cares. On 7th May we can get all those things, but only by backing the Liberal Democrats.

Our priorities for Stroud Green are focused on delivering improvements for the local area, just as Liberal Democrat councillors here before us, and elsewhere in Haringey, have a proven track-record of doing:

1. **Crime & Policing:** Many in Stroud Green are rightly concerned about crimes such as drug-dealing, anti-social behaviour, theft and more. We will work with police and communities to make our streets and parks safer, support victims, and ensure crime is tackled, not ignored.
2. **Cost of Living & Housing:** We will push the council to use every power it has to support our residents through the cost of living crisis, target help at those struggling most with bills and everyday expenses. We will focus on increasing council housing, ensure that Haringey homes are free of damp and mould, and tackle the housing repairs service.
3. **Parks & Green Spaces:** We want to drive investment in our green spaces, from Stationers Park at the top of the ward to Finsbury Park at the bottom, to make them safe and welcoming for everybody of every age, year round. We would look to protect Finsbury Park by taking it out of Haringey Council's hands and putting it in an Independent Community Trust, giving control back to the community, and ensuring Haringey doesn't just use it to help mitigate their debts.

We all know that, whatever the situation nationally, **elections here in Stroud Green are between the Lib Dems and Labour**. We are the only party that has beaten Labour here over the past twenty years, and the only party that has a chance of ending Labour's grip on Haringey Council this May.

It is the Lib Dems that have the experience and track record to deliver the Fresh Start Haringey needs and fix the Council. **A vote for anyone else will just lead to four years of Labour councillors** here in Stroud Green, and four more years of a Labour-run council that simply does not listen. That's why more and more people are switching to back the Liberal Democrats here in Stroud Green, and across Haringey, every week.

We hope that on 7th May you will join them, and vote Liberal Democrat to get a Fresh Start for Haringey.

With best wishes,

Nicholas Orford-Williams David Vigoureux Liz Whitlock

The Liberal Democrats: A Record of Action for Haringey

About us:

Nicholas Orford-Williams

Nicholas was **born and raised in Stroud Green,** and has lived in Haringey for nearly all his life.

Due to his disappointment of Labour-run Haringey Council, he is standing for election as he wants to see much **better local services, residents properly represented and heard** by their councillors and their council, and **greater opportunities for young people** - especially in regard to **housing**.

As a volunteer youth leader with the Wood Green & Hornsey Cadets and a software engineer by profession, he brings a wealth of skills to help Stroud Green, and Haringey, thrive.

David Vigoureux

David has lived in Haringey for nearly a decade now, and cares deeply about **social justice**, the **environment** and **education.**

He has been a governor at a school in Tottenham for the past three years, and with a career in innovation for social impact, he brings great experience to ensure our community thrives.

He is passionate about **ensuring everyone has a voice**, especially those often left behind, and that decisions are made by communities, not to them. Having provided support to the Lib Dem councillors here in Haringey for a number of years, David has the **knowledge and experience** to deliver local improvements and support residents.

Liz Whitlock

Liz is a senior nurse in the NHS and has **lived in Stroud Green for 29 years**. Liz's children attended Weston Park and Highgate Wood Schools. She was the **Co-Chair of Highgate Wood HSA for 4 years** and worked with students and teachers to bring benefits to the whole school community.

In 2018 she was a **founding member of the Park Road Lido User Group (PRLUG)** and has worked tirelessly holding first Fusion, and now Haringey Council, to account to ensure that this valuable community asset remains open, clean, safe and accessible to all.

Liz wants to use her local knowledge and professional skills to bring about change, hold decision makers to account and to **be a voice for the Stroud Green community**.
